## LETTER OF SOLIDARITY

Dear authors, musical composers,

We are all facing a difficult time in the midst of the Coronavirus pandemic. This situation demands solidarity and a united front in a bid to defeat this threat to humanity. We guide ourselves by the saying that those who have hard times will surely experience happy times soon.

Music has an endless life as the only form of universal communication. This is why we believe you will stay strong during this challenging time.

On behalf of all the authors of Bosnia and Herzegovina we want to show our support to all the authors of Italy. We express compassion and sincere condolences for your fellow citizens who lost their lives during the battle with Coronavirus.

Sincerely yours,

mr. sc. Lejla Trnčić  
General Director
